## The Lighter Side...

Twenty-five first graders students were presented with the first half of a well-known proverb and asked to come up with the remainder of the proverb. Here's some of what they came up with...

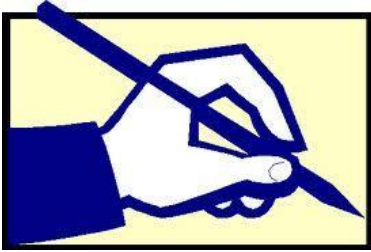

- ☀ Don't change horses.....until they stop running.
- ☀ It's always darkest before.....Daylight Saving Time.
- ☀ Don't bite the hand that .....looks dirty.
- ☀ You can't teach an old dog new ..... math.
- ☀ Where there's smoke, there's .....pollution.
- ☀ Better late than..... pregnant.

A Preacher informed his congregation that next week's sermon would be on the sin of lying. In preparation for a discussion he asked them all to read Mark 17. The following week he asked them all to raise their hands if they had read Mark 17. The congregation as one raised their hands. "Mark only has 16 chapters," he told them, "Perfect place for me to start the sermon!"

Submit your times to [Cleve Cox](#) or sign-up at the meetings when the sign-up sheets are circulated. Keep the 4- Way test in mind, as working with your fellow Rotarians will build goodwill and better friendships!

3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?”
