4-Way Test

“Of the things we think, say, or do:

- 1. Is it the TRUTH?**
- 2. Is it FAIR to all concerned?**
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4. Will it be BENEFICIAL to all concerned?”**

The Lighter Side...

After every flight, United Postal Service pilots fill out a form, called a 'gripe sheet', which tells mechanics about problems with the aircraft. The mechanics correct the problems, document their repairs on the form, and then pilots review the gripe sheets before the next flight. Never let it be said that ground crews lack a sense of humor. Here are some actual maintenance complaints submitted by UPS pilots (marked with a P) and the solutions recorded (marked with an S) by maintenance engineers:

- ☼ P: Left inside main tire almost needs replacement.
S: Almost replaced left inside main tire.
- ☼ P: Test flight OK, except auto-land very rough.
S: Auto-land not installed on this aircraft.
- ☼ P: Something loose in cockpit.
S: Something tightened in cockpit.

- ☼ P: Dead bugs on windshield.
S: Live bugs on back-order.
- ☼ P: Auto pilot in altitude-hold mode produces a 200 feet per minute descent.
S: Cannot reproduce problem on ground.
- ☼ P: Evidence of leak on right main landing gear.
S: Evidence removed.
- ☼ P: DME volume unbelievably loud.
S: DME volume set to more believable level.
- ☼ P: Friction locks cause throttle levers to stick.
S: That's what friction locks are for.
- ☼ P: IFF inoperative in OFF mode.
S: IFF always inoperative in OFF mode.
- ☼ P: Suspected crack in windshield.
S: Suspect you're right.
- ☼ P: Number 3 engine missing.
S: Engine found on right wing after brief search
- ☼ P: Aircraft handles funny.
S: Aircraft warned to "straighten up, fly right and be serious".
- ☼ P: Target radar hums.
S: Reprogrammed target radar with lyrics.
- ☼ P: Mouse in cockpit.
S: Cat installed.
- ☼ P: Noise coming from under instrument panel. Sounds like a midget pounding on something with a hammer.
S: Took hammer away from midget

A man and his wife were sitting in the living room, and the man said to her, "I never want to live in a vegetative state, dependent upon some machine, and fluids from a bottle. If that ever happens, just pull the plug." She got up, unplugged the TV, and threw out his beer.

If You Must...

request an excused absence (EA) or resign, it is best to submit the EA request or resignation in writing and personally give it to Secretary Marc or mail it to the club at PO Box 205, Oriental, NC 28571. If a member resigns and that information doesn't get to the Secretary, the club must continue to pay the member dues to the district, RI, and the cost of the Rotarian magazine. Treasurer Bill sends a letter or email to the member confirming the EA or resignation and any outstanding balance. Excused absences may

approved for up to a year before being reconsidered except in the case of a medical condition.
